(Nate No. T.)

BALTIMORE, June 21, 1860 Mr. J. P. Johnson and D. C. Cross units in its statement explains of the statement of the difficulty between Cot, T. C. Hindman of Win. M. Hooper, Esqs.
Mr. Cross baving notified Colonel Hindman n writing of the object in view, was referred y the latter to Mr. Johnson. After an inter-hange of nodes arranging for a time and place by friend, he could not receive any commu-

ands will keep the redoubtable Mr. Tawrey Col. D. C. Cross called on me and tendered wee, in behalf of Mr. Hooper, a note addressed pleation from Mr. Hooper, The real speech, went home against him. They had no sympathy for his extreme positions, and no fancy for the virulent manner in which he take of the Dougras and Barr parties.

The people are looking out for truth, and thesire to know the correct path to travel, and Mr. Vancan's defense of himself and his Mr. Yanczy's defense of himself and his words, he immediately called my attention abuse of his opponents, will not teach them the difference, remarking that Mr. Hoop enght think that he considered him his infe-rior, because not holding high office. I as-

ulty, the following notes, showing my whale

cur Dajon, and for his minness in reducing actition and treason.

Remixed, That we have full confidence in the pairfolism and wisdom of the representatives of our party at Charleston, and we will give nor party at Charleston, and we will give hearty support to the nominee of that the never sat placidly under the abade of a discontinuous control of the same of the never sat placidly under the abade of a discontinuous control of the never sat placidly under the abade of a discontinuous control of the never sat placidly under the abade of a discontinuous control of the control of the control of the never sat placidly under the abade of a discontinuous control of the control o

convention of Tennessee in January last. We ask the especial attention of our Bancars ask the respect of the constitution.

Bot, a statement from Mr. J. P. Johnson, the constitution and the surface of the South is persisted in, it must soon cease to be a war of words. If the congressional protection, and who denounce the Concinnati platform as a fraud, to the constitution in the State Right Desacrat, mentioned above, including lines of helast resolution, which we trouved and fight the south of the south of the same ready to begin life anew and fight congressional protection, and who denounce the Constitution. In this youth he fell among akaptics, read Bolingbroke's works five times through, and long ask the especial attention of our Bancars as pain in the world; and after his arm quivered and his eye grew dated "White Sulphur, Ky., 20th July, 1860," and after his arm quivered and his eye grew dated "White Sulphur, Ky., 20th July, 1860," and after his arm quivered and his eye grew dated "White Sulphur, Ky., 20th July, 1860," and after his arm quivered and his eye grew dated "White Sulphur, Ky., 20th July, 1860," and after his arm quivered and his eye grew dated the same ready to begin life anew and fight in bully and after his arm quivered and his eye grew dated in, it must soon cease to be a war of words. If the same ready to begin life anew and fight in bully and after his arm quivered and his eye grew dated in, it must soon cease to be a war of words. If the publication in the Sulphur, Ky., 20th July, 1860," and after his arm quivered and his eye grew dated to have a substitute and the ready of the south in the substitution.

In his pought, and proved as the must depend on the sa

Secretary and secretary design of the Proposition o

on the 19th of Jenuary lest.

On the 9th day of February John Adams results a declaration of the principles that will form the basis of their action in the fether, and having carefully re-examined the greened which they have bereinless of the last four years in mind for results in the happiest mood of the wantering water.

An OLD OFFENDER.

A fair spring mean was gliding far up in the armore has another earth and its inhabitants in the absence of the earth and its inhabitants in the absence of the last of their action in the fether, and having carefully re-examined the greened which they have hereinless occupied, and with her developments of the last four years in mind for results in the happiest mood of the wantiering waters.

An OLD OFFENDER.

A fair spring mean was gliding far up in the armore heavily of the sky, taking cognizance of the earth and its inhabitants in the absence of the last inhabitants in the absence of the sais of their action in the fether, and his inhabitants in the absence of the sais of their action in the fether, and his inhabitants in the armore meaning the sail of the sky, taking cognizance of the earth and its inhabitants in the absence of the last inhabitants in the absence of the earth and its inhabitants in the absence of the earth and its inhabitants in the absence of the earth and its inhabitants in the absence of the earth and its inhabitants in the armore meaning the sail is the sky, taking cognizance of the earth and its inhabitants in the absence of the earth and its inhabitants in the armore meaning the sail its inhabitants in the armore meaning the sail inhabitants in the armore meaning the sail inhabitants in the armore meaning the sail is inhabitants in the sail is inhabitants in the armore meaning the sail is inhabitants in the armore meaning the sail is inhabitants.

An old Definition of the sky, taking cognizance of the earth and its inhabitants in the armore meaning the sail is inhabitants in the armore meaning the sail is inhabitants in the sail is inhabitants in th and naving carefully re-examined the ground approximately in America upon which they have bereintere occupied, and with maily; now he was in the happines mood at mind for reserting the independence of his country. He had confidence in the ability of New England to drive away their enemy; in the mind vail from the valleys, or nighting the mind. Resolved. That the views expressed by the Source Court of the United States in the decision of the case of "Dred Scott," are, in our opinion, a free and clear exposition of the present of the Territories of the United States, and the makind, that Providence could not suffer its defeat; in bimself for his convictions were clear, his will fixed, and his mind present the register of the case of "Dred Scott," are, in our opinion, a free and clear exposition of the gase of "Dred Scott," are, in our present to let his little property and his life opinion, a free and clear exposition of the case of "Dred Scott," are, in our present to let his little property and his life opinion, a free and clear exposition of the case of "Dred Scott," are, in our great to let his little property and his life opinion, a free and clear exposition of the case of "Dred Scott," are, in our great to let his little property and his life opinion, a free and clear exposition of the case of "Dred Scott," are, in our great to let his little property and his life opinion, a free and clear exposition of the case of "Dred Scott," are, in our great to let his little property and his life opinion, a free and clear exposition of the case of "Dred Scott," are, in our great to let his little property and his life to be a converted to let his little property and his life to be a converted to let his little property and his life to be a converted to let his little property and his life to be a converted to let his little property and his life to let a converted his little property and his life to let his little property and his life to let a converted his little

opinion, a rue and clear exposition of the powers reposed in Congress open the subject to the Territories of the United States, and the rights garanteed to the residents in the Territories.

Resident, That the States of the Confederacy are equals in political rights; each State has the right to settle for itself all questions of the right to settle for itself all questions of the right to settle for itself all questions of the right to settle for itself all questions of the right to settle for itself all questions of the right to settle for itself all questions of the self-government—the State did not surrender the right in the Federal Constitution, and Tennesses will not need to provide a set than Dickinson; more force in motion than the right in the Federal government has no power to interfere with slavely in the States; nor to introduce or exclude it from the Dickinson; more force in motion than Dickinson; more force in motion than the residuent of the Constitution, and but to perform in relation but; these daties it cannot withhold without a violation of the Constitution, and but to perform in relation than Dickinson; more force in motion than the residuent of the Constitution, and the residuent of the country of the residuent of the residuent of the country of the residuent of the country of the residuent of the residuent of the residuent of the country of the residuent of the but; these duties it cannot withhold without a violation of the Constitution.

Resolved, That we approve, generally, of the administration of James Buchanan, and this he deserves and receives our tribute of admiration of the clear and lucid exposition of the true doctrine of the Constitution and laws of our Union, and for his firmness in rebuking our Union, and for his firmness in rebuking and the same of long the clear and lucid exposition of the pitcons application.

The word of the constitution and laws of our Union, and for his firmness in rebuking and element; yet he wanted that awaited the down-dropping of the heavenly application.
